ABOUT US

The Idea to establish a Bicycle Manufacturing unit was nurtured about Six decades ago, Thus giving birth to "Sovereign" Group. In the year 1980, Mr. R.S. Kalra, Set up a small scale unit to cater to the ever growing demands of the Indian Market. Hard Work and sheer Determination through Generations of growth & innovation earned recognition for the brand "Sovereign" in the Domestic Market.

To further expand & tap the vast potential of the expanding global markets, Sovereign Exports was established there by catering to the demands of the foreign buyers. Clear vision with constant emphasis on quality, customer relations & timely delivery, helped the company to progress leaps and bounds & make a prominent place in the world market.

Backed by the latest in-house R&D facility, testing laboratories and new product development techniques, the company was able to establish as a reliable supplier for almost all the major bicycle importers in Europe, CIS countries Middle East & far Asian countries. With a very strong & satisfied clientele base the company is today exporting to almost 30 countries.

OUR MISSION

We believe in providing the best quality products by maintaining the highest level of reliability, durability, quality, aesthetics and elegance to the utmost satisfaction of our customer.

QUALITY POLICY

We are committed to manufacture and supply quality products as per the customer's needs and market requirements to their utmost satisfaction. We shall strive to implement & continually improve the effectiveness of the established quality system.
